- 44-52. 50 sc. (50)

Stuff the lower body well. Make sure there is enough stuffing in Bella's 'buttocks'.

Try to fill as precisely as possible so that the lower body is filled firmly and without any bumps.

Continue to stuff the body.

Place the eyes between round 66 and 67 with 8 sc in between. (the body has no specific front or back, it doesn't matter which side you place your eyes on)

- 76. 5 sc, dec, 1 sc, dec, 32 sc, dec, 1 sc, dec, 27 sc. (70)
- 77. 4 sc, dec, 1 sc, dec, 30 sc, dec, 1 sc, dec, 26 sc. (66)

- 84. (3 sc, dec) x 6 times. (24)
- 85. (1 sc, dec, 1 sc) x 6 times. (18)

Stuff a little further.

- 86. (1 sc, dec) x 6 times. (12)
- 87. dec x 6 times. (6)

Fasten off with a sl st and leave a long tail. Pull the thread through the 6 front loops and tighten the thread. Tie off and work the thread away in the body.

Shaping the hips:

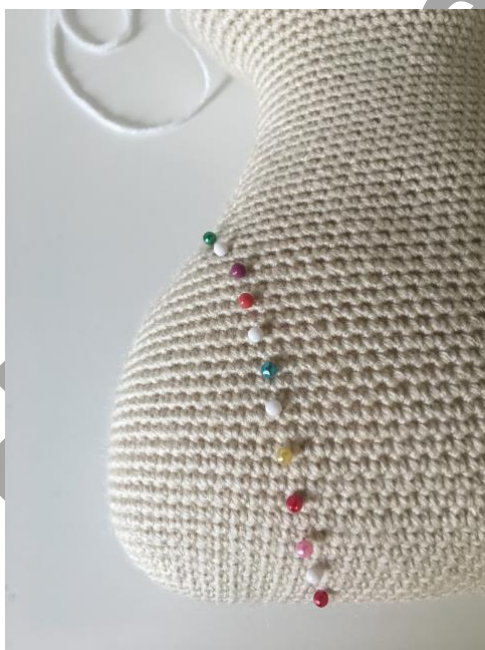

Shaping Bella's hips is not difficult, it's a technique that you just have to understand. Look closely at the pictures and read the description carefully.

At the top of the hips (at round 32) 30 sc interspace.
 At the bottom of the hips (at round 5) 16 sc interspace.

Now you are going to place the pins so that it is clear where you want to baste the thread.

Place about 1 pin per 2 rounds, this is enough to get a clear impression.

Now you will make the contours with the same color as the body.

Take about a meter of yarn, this is more than enough!

Insert the needle into the back of the body at the bottom pin and insert it forward.

Then put it back 2 rows further at the next pin and tighten the thread. This way you make a stitch every time from front to back and from back to front and always tighten the thread. Every time you make a stitch, take the pin of that stitch out of the body, so you don't hurt yourself and no pin can accidentally disappear into the body.

Continue this way until you reach the last pin. See if an extra stitch is needed to make the shape go nicely and then put the thread back to the starting thread and tie them tightly together. Weave the threads in the body.

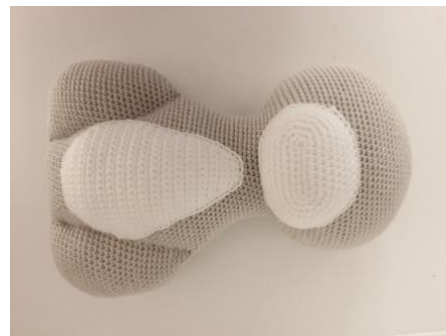

Belly part:

Chain 11 with Snow white yarn.

Turn your work after each row.

1. 1 sc in the second stitch from the hook, 9 sc. (10)
2. chain 1 to turn, inc, 8 sc, inc. (12)
3. chain 1 to turn, inc, 10 sc, inc. (14)

 31. chain 1 to turn, dec, 6 sc, dec. (8)
 32. chain 1 to turn, 8 sc. (8)
 33. chain 1 to turn, dec, 4 sc, dec. (6)
 34. chain 1 to turn, 6 sc. (6)
 35. chain 1 to turn, dec, 2 sc, dec. (4)
- chain 1 to turn, now crochet single crochets around, fasten off and leave a long tail, long enough to sew the belly part on the body.
- Sew the belly part on the body. If all goes well, it fits exactly nicely between the seams of the hips. Stuff in medium and evenly while sewing on the belly part. This way Bella gets a slightly rounder shape.

Feet:

* The feet have small openings of the half double crochets on the instep. If you like it, you can put the stuffing in tight, this way no stuffing can come through the openings.
