Ch 1, turn, crochet sc all around. Finish with 1 slip stitch. Leave a long tail for sewing, enough to sew on the entire belly piece.

Sew the belly onto the body as seen in pictures below. It fits exactly nicely between the seams of the hips. Stuff the belly piece up a little. This way Bella gets a slightly rounder shape.

Feet:

* The feet have small openings on the instep of the half double crochet stitches. If you like, you can put the filling in a pantyhose, this way no filling can get through the openings.
